

Corporate Activity Booking Conditions – Parque Emboscada Lisbon and Parque Emboscada Porto

This document contains all the information necessary to book a corporate activity at Parque Emboscada Lisbon (Monsanto) and Parque Emboscada Porto.

1) Submission of the Activity Proposal

The activity proposal is prepared and sent by the Parque Emboscada team based on the following initial information:

- Desired activity or activities;
- Desired duration of the event (morning, afternoon, or full day);
- Estimated number of participants/players (minimum and maximum);
- Preferred date and time;
- Any additional services required (catering, photography, group transport, venue hire, etc.).

If it is not possible to provide this information by email, we are available to arrange a telephone call, video call, or an in-person visit to our park.

2) Confirmation and Awarding of the Parque Emboscada Service

To confirm the booking, an advance payment of 25% of the total proposal value is required. The remaining amount may be paid up to the next working day after the activity takes place.

To proceed with the booking process, we will need the following information:

- Tax identification number;
- Name;
- Address.

Once this information has been collected, an invoice corresponding to the booking amount will be issued. Confirmation of the service means that the client agrees to the terms and conditions defined in this document.

The payment details shown on the invoice are:

ACROSSIMPACT UNIPessoal, LDA

IBAN: PT50 0035 0424 00000487530 47

BIC SWIFT: CGDIPTPL

Proof of payment must be sent by email in reply to the proposal that was sent. Once the Parque Emboscada team receives notification of payment, the client will be informed and the booking of the venue and time slot for the activity will be confirmed.

Failure to pay the booking amount may jeopardise the reservation, as the requested date and time are only guaranteed after payment has been received.

3) Booking Additional Services

Parque Emboscada works with several partners to provide additional services, including:

- Catering;
- Transport;
- Photography and/or video;
- Other services.

If the client wishes to add any of these services, the specific terms and conditions will be provided in greater detail, as they vary depending on the selected option.

4) Changes to the Number of Players

All proposals are based on a minimum and maximum number of players, which must be respected. However, adjustments to the original proposal may be requested according to the following deadlines:

- Events of **20 to 40 people**: request may be made up to 5 working days in advance (Monday to Friday);
- Events of **40 to 60 people**: up to 7 working days in advance (Monday to Friday);
- Events of **60 to 80 people**: up to 10 working days in advance (Monday to Friday);
- Events of **80 to 120 people**: up to 10 working days in advance (Monday to Friday).

If a change is requested after the deadlines stated above, the minimum number of players confirmed at the time of booking will be assumed.

The venue, equipment, and staff are planned according to these minimum and maximum numbers. Parque Emboscada may therefore need to decline other requests in order to guarantee the confirmed activity, and we kindly ask clients to provide confirmation as soon as possible.

5) Final Confirmation of Players

For the organisation of the games and teams on the day of the event, we request final confirmation of the number of players 3 working days (72 hours) in advance, Monday to Friday.

Clients may send pre-arranged teams (according to the format provided in the proposal) or, in the case of smaller groups of fewer than 20 players, simply confirm the final number of participants.

6) Cancellation and Rescheduling Policy

Requests for cancellation or rescheduling must be made by email, always stating the reason for the request and observing the following deadlines:

RESCHEDULING:

- Events of **20 to 40 people**: at least 2 working days (48 hours) in advance;
- Events of **40 to 60 people**: at least 3 working days (72 hours) in advance;
- Events of **60 to 80 people**: at least 4 working days in advance;
- Events of **80 to 120 people**: at least 5 working days in advance.

All deadlines refer to working days, Monday to Friday.
